Shaykh al-Albaanee (رَحْمَةُ اللهِ)¹: The person who knowingly acknowledges his mistake but [then still goes ahead and] commits it, it is hoped that one day he will come back to what is right. As for someone who knows and then deviates—[and] justifies his deviation—[then] after a while he will come to live as a deviant.²

¹ (رَحْمَةُ اللهِ) (rahimahullaah) May Allaah the Most High have mercy on him

² Al-Hudaa wan Noor, 25.
